

INSTRUCTIONS

V-CROSS CRUNCH

CATEGORIES: Strength, Warm Up

LEVEL: Advanced

URL: <https://dancer-fitness.com/exercise/v-cross-crunch>

Step::

- Begin sitting with knees together and resting on elbows placed behind you.
- Extend your legs in front of you.
- Drop one leg down while also crossing it toward the opposite leg.
- Lean back slightly as you drop this leg.
- Pull the leg back up to the starting position and repeat on the other side.

Repetitions:

Repeat 10 times on each leg.
